SOLVANG SCHOOL MARCH 2010

PLEASE HELP!! We are in desperate need of Parent volunteers!

March is a busy month. The teachers are busy preparing the children for Star testing in May, the kids are finishing projects for open house, and there are lots of activities going on at school. There are several opportunities to help in and out of the classroom. If there is **any amount of time** that you can give, please read this newsletter and see where you can help.

Open House

Open House is Thursday, March 25th. This year, we would like to offer pizza and a drink available for purchase that evening. However to do this, we would need some parent volunteers to work in just one of two half hour time slots from 6-7pm. Unfortunately, if we cannot get any parent volunteers, we will be unable to offer this. If you can help at all, please contact Carissa Luke at thelukes3@gmail.com or call 686-9181.

There is still time to get your Solvang School

2009-2010 Student Directories! Price Reduction to \$4.00!

PARENT SEMINAR ON BULLYING - MONDAY, MARCH 29TH at 7:00 PM

According to the National Association of School Psychologists, about one in seven school children has either been a bully or been the target of a bully!

On Monday March 29th The Bully Game is coming to Solvang School; an action packed, high energy assembly program designed to prevent bullying, repel peer pressure and improve the overall school experience for students, teachers and parents. In conjunction with the assemblies for our students that day, we are also offering a parent seminar on Bully Prevention in the evening. If you have ever been a victim of bullying or have been a bully yourself, you know that this is a serious issue with possible lifelong consequences. Come and learn how you can help your children and others overcome this problem.

“Very INTERESTING, very INFORMATIVE and TO THE POINT!”

Please let us know if this is a seminar you would like to attend so we can plan for the size of the seminar. Please email or call Cindy Fredette with your “Yes, we are coming to help stop bullying in our school and community!” Email syvfreds@juno.com or call 688-3553 as soon as possible and before March 5th!
